July 7, 2018

Greetings from SNEB -

As an affiliate member of SNEB for the past eight years, The Need for Nutrition Education Project (NNEdPro) has actively contributed to the Society's mission of promoting effective nutrition education and healthy behavior through research, policy and practice.

Contributions include:

- Conducting educational webinars for SNEB members,
- Sharing resources through SNEB newsletters and listserv,
- Exchanging ideas and information with SNEB leadership through abstract presentations at several SNEB annual conferences and by organizing conference sessions, and
- Hosting SNEB members at the NNEdPro Summit and Summer School where the SNEB Nutrition Educator Competencies were presented.

Congratulations to NNEdPro on 10 years of nutrition education, research and innovation.

NNEdPro and SNEB both recognize the importance of building connections and sharing resources with nutrition educators around the world and we look forward to continuing to work toward our shared vision of healthy communities.

Sincerely,
